

REMARKS/ARGUMENTS

This Amendment is in response to the Office Action mailed on September 8, 2004 (“Office Action”). Claims 4-13 were rejected, and claims 1-3 and 24-28 were allowed. In this Amendment, claims 4 and 9 have been amended. Claims 1-13 and 24-28 are pending in the application.

Rejection of Claims 4-13 under 35 U.S.C. § 112, Second Paragraph

Claims 4-13 were rejected under 35 U.S.C. § 112, second paragraph. The Office Action indicated that such claims were rejected as being indefinite, for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The Office Action indicated that claims 4 and 9 would be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. § 112, second paragraph.

Regarding claim 4, the Office Action indicated that such claim contained an indefinite limitation. The Office Action objected to the term “web page” at line 11. Such claim 4 has been amended with respect to this objection with the substitution of the language regarding an electronic document instead of a web page. Review and approval of the amendment are respectfully requested.

The Office Action indicated that regarding claims 4 and 9, there was insufficient antecedent basis for certain language regarding views. Such claims have been amended in response to the Office Action’s concern. Review and approval are respectfully requested.

In view of the above amendments and discussion, and it is believed that the rejection of claims 4 and 9 has been overcome and removal of such rejection is respectfully requested.

The Office Action indicated that claims 5-8 and 10-13 were rejected based on rejection of their parent claims 4 and 9. In view of the amendment and discussion above, for which it is believed the rejection of claims 4 and 9 has been overcome, it is believed that the rejection of such dependent claims 5-8 and 10-13 also has been overcome. Therefore, removal of the rejection is respectfully requested.

Allowed claims.

Claims 1-3 and 24-28 have been allowed.
